

# Driver Vehicle Inspection Report

Eliminate manual, error-prone paper reports for drivers and the back-office while improving compliance, safety, and vehicle maintenance.

## Fulfill Inspection Requirements on the Go

Enable drivers to manage vehicle inspections through their mobile devices so they can:

- Conduct real-time, walk-around truck inspections
- Document issues as they are discovered
- View full vehicle inspection histories
- Submit inspections as soon as they are complete

Driver vehicle inspection report on IVG

### Solution Highlights

Real-time alert notifications

Full inspection report history

Driver self-certification of maintenance performed away from the shop

Walk-through checklists

On-Duty-status validation inspection completion

Asset-type categorization

# The Extra Mile

Build robust workflows and tasks lists without coding expertise

Reduce fuel, maintenance, administrative, and operational costs

Streamline trip management to exceed customer expectations more often

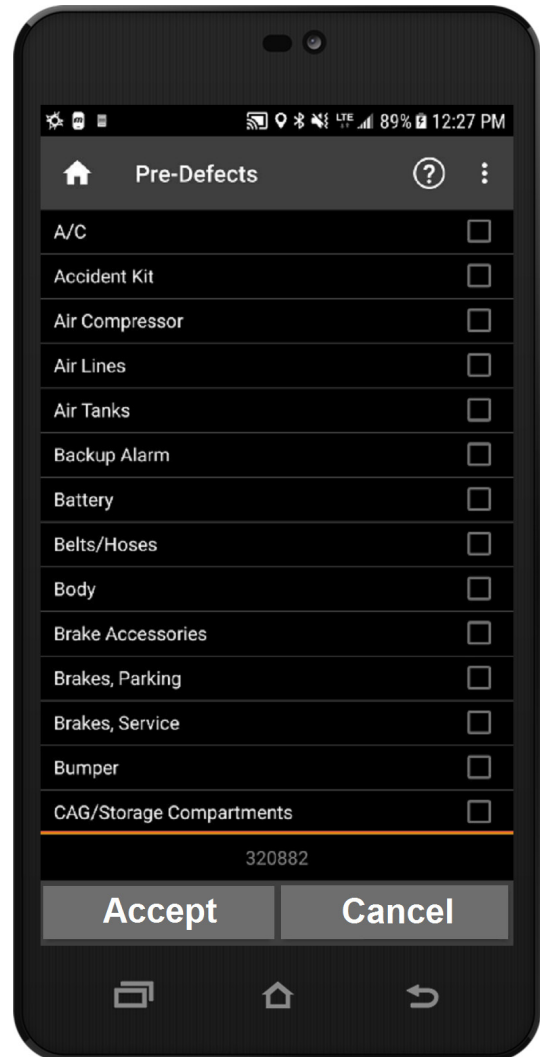

Enhance driver satisfaction so you can improve retention

Configure driver workflow and trip management

Increase compliance scores and productivity
