

Omnitracs Tax Manager

Simplified tracking and reporting for the international fuel tax agreement.

Give Time Back to Drivers and the Back-Office With Automation

Accurately collect, reconcile, and report on mileage and fuel purchases within jurisdictions impacted by the International Fuel Tax Agreement (IFTA) through location, mileage, receipt, and fuel economy data.

Solution Highlights

Accurate state mileage and fuel purchase data tracking

Automatic mileage, fuel purchase, and toll-road reconciliation

Print, sign, and send your reports in just a few clicks

Set up automated filing to suit any state or province requirements

The Extra Mile

Increased asset and cargo security

Accurately track vehicles as they cross state lines

Support maintenance schedules with insight into miles traveled

Reduce audit exposure

Reduce your administrative burden

Easily collect and import fuel data on-the-go
